Are you passionate about creating a safer and more positive environment on social media?

Our client in Berlin is looking for dedicated and motivated individuals who want to shape better digital experiences and make a meaningful contribution to online communities.

Social Media Content Moderator (m/f/x)

fluent in English&Hebrew

Arbeitsort: Berlin

Your tasks

- You assess and filter content that violates our client's guidelines to ensure a respectful and safe online environment
- You review, block, and remove posts that do not align with our client's community standards
- With your direct impact, you actively contribute to reducing hate, racism, bullying, cybercrime, and the spread of misinformation, helping make social media a safer place for everyone

Your profile

- You speak fluent English, and Hebrew is no problem for you - no German needed!
- You're flexible and willing to work in a 24/7 shift system
- You enjoy working in an international team and thrive in a multicultural environment
- You have a strong awareness of the cultural and political context of the market or region you will be supporting

What we offer

- You'll receive a monthly salary of €2,668.50 (based on 40 hours/week) plus a monthly performance bonus of €150
- You'll go through a fully paid, intensive onboarding and training period from day one, ensuring you feel confident and well-prepared
- A personal point of contact will always be available to assist you with any questions or concerns
- There is no direct customer contact, and you'll gain exciting insights into an innovative and forward-thinking sector

If this profile sounds like you, then you're the ideal candidate (f/m/d) – and we'd love to get to know you better.

We look forward to receiving your detailed application – preferably via the contact form on our website, where you'll also find other exciting job opportunities.

For any initial questions, Unsere Beraterin, Frau Bentzinger, will be happy to assist you at 04421.30039-16.
